

READING COMPREHENSION

Bonjour, je m'appelle Marie. J'ai seize ans. Généralement, je me réveille à six heures et demie. Après, je me douche, je me brosse les dents et je m'habille. Je porte un uniforme. Je n'aime pas mon uniforme parce que c'est moche. Je vais à l'école vers neuf heures moins le quart. Mon école est grande, propre, moderne et bruyante. Dans mon école, il y a cinquante-huit professeurs et mille élèves. Ma matière préférée, c'est la chimie. Après l'école, je rentre à la maison vers cinq heures dix.
